

Beth Brady

CMO

About Beth

A visionary leader with extensive experience in business transformation and turnarounds, Beth revitalizes brands and launches new products, restoring profit growth by increasing volume, margin and market share. A strategic thinker with significant P&L management experience and expertise in marketing, branding, research, and analytics, she develops successful digital strategies and award-winning advertising campaigns. A collaborative leader with 25 years executive marketing experience, Beth has a history of building strong teams and managing through change.

How Beth has Helped Businesses Grow

- Led global brand launch consolidating multiple brand executions into a single unified purpose driven brand at Principal Financial Group.
- Increased awareness, consideration and intent to buy developing a more emotionally driven award-winning advertising and marketing campaign that better delivered on the new brand positioning at Principal.
- Restored profit growth and increased volume, penetration and \$ share leading the turnaround effort for the \$650 million Progresso Soup business at General Mills.
- Delivered significant volume and profit increases and grew share from 7% to 28%, overtaking Kellogg's for category leadership in the Wholesome Snacks business unit at General Mills. Developed highly successful Nature Valley advertising campaign across multiple media vehicles.
- Increased margin an average of 5 points per business re-engineering Related Snacks businesses to improve price, revitalize graphics and improve/cost reduce product formulations at Wise Foods.
- Increased profit at a CAGR of 15% and grew brand share +2.1 points for Mazola Oil, reversing a 10-year trend by developing a new strategic direction at Best Foods.
