About Philippe Harousseau

Philippe Harousseau is a brand-driven marketing executive with 30+ years of global experience helping companies clarify their purpose, sharpen messaging, and accelerate growth. A former Unilever and Shiseido leader, he has repositioned brands for relevance and led award-winning, purpose-led campaigns. His work has delivered market share gains, stronger brand equity, and industry recognition. Known for turning vision into action, Philippe partners with CEOs to build brands people trust—and align teams around strategies that scale.

How Philippe has Helped Businesses Grow

- Steered GoGosqueez out of a significant product recall, restoring financial and brand metrics in one year at Materne North America.
- Laid the foundation for double digit growth through innovation (launched GoGosqueez YogurtZ, a yoghurt that's so cool it doesn't need a fridge, prepared SmoothieZ), and focused digital and social media investment.
- Restored share growth of Unilever skin cleansing portfolio (to 50% in bar soaps and 40% in Body Wash) through orchestrating a comprehensive plan with Global teams. Plan included significant innovation and the launch of Dove Men + Care.
- Grew sales and brand equity of the iconic Dove brand by leading the original deployment of the long running Dove Campaign for Real Beauty (multiple Lions at Cannes, Ad Age Marketing 50, Effies, Best of Silver Anvil).
- Accelerated to double digit growth a \$600 million business at Unilever by turning around Vaseline through the launch of disruptive spray technology and growing face care by launching Simple, Axe, and Dove Men + Care.
